## Introduction:

Sports play a crucial role in fostering teamwork, discipline, and healthy competition, which are essential traits for future professionals in any field. The “**All-India Architecture and Planning Inter-Institutes Tournament 2024**” is one such event which is designed to serve multiple purposes, primarily focusing on the holistic development of architecture, planning and design students. This landmark event aims to bring together students, academicians, and professionals from the architecture, planning and design fraternity across India to enhance camaraderie and sportsmanship on a national scale.

One of the key objectives is to promote well-being through of physical activity and sports among the architecture students and professionals who are often engaged in rigorous academic and creative pursuits. By participating in various sports, they can achieve a balanced lifestyle that nurtures both their physical and mental well-being.

## Participants:

The tournament is open to **students, academicians, and professionals** from architecture and planning institutions across India. This diverse group of participants will include undergraduates, postgraduates, faculty members, and industry professionals, all coming together to celebrate their shared passion for sports and architecture.

## Activities:

The **All-India Architecture and Planning Inter Institutes Tournament 2024** will feature a comprehensive range of indoor and outdoor games, which include formal and traditional event. The activities are carefully selected to cater to diverse interests and talents, promoting both strategic thinking and physical prowess, ensuring that there is something for everyone.

- **Indoor Games:** The indoor games segment will include chess, carrom, and table tennis. These games are designed to encourage strategic thinking, precision, and mental agility.
  - Chess – As per the rule
  - Carrom – As per the rule
  - Table tennis – Could be Single/Doubles/Mix-Doubles
- **Outdoor Games:** The outdoor games segment will feature basketball, cricket, lawn tennis, volleyball, and badminton.

- Basketball – A team of 8 members (5 Playing + 3 Substitute)
- Cricket – A team of 8 members (6 Playing + 2 Substitute)
- Lawn tennis – Could be Single/Doubles/Mix-Doubles
- Volleyball – A team of 8 members (6 Playing + 2 Substitute)
- Badminton – Could be Single/Doubles/Mix-Doubles

In addition to the scheduled sports events, the tournament will also include on-spot fun activities and entertainment to keep the participants and spectators engaged. These activities will ensure that everyone has a memorable experience. The fun activities will include:

- **Mini-Games:** Quick and engaging mini-games like sack race, three-legged race, tug of war etc. will be organized. These games are designed to be light-hearted and entertaining, providing a break from the competitive events.

### **Collaboration/Partners:**

The success of the All-India Architecture and Planning Inter Institutes Sports Tournament 2024 is bolstered by our collaboration with **Council of Architecture, New Delhi (COA)**. This partnership brings together the expertise and resources of both, ensuring that the event is organized efficiently and effectively. Our supporters include the **Indian Institute of Architects (IIA)**, the **Institute of Indian Interior Designers, Indore Chapter (IIID)**, and the **Institute of Town Planners, India (ITPI)**. These organizations will contribute their expertise and resources, providing a strong foundation for the event.

Our prime partners, **Jaquar-MV Patel & Co. and Supreme**, will play a crucial role in sponsoring and supporting the event.

### **Logistics:**

Organizing an event of this scale requires meticulous planning and coordination. Key logistical details include:

- **Registration:** A streamlined registration process will be implemented to ensure that participants can easily sign up for their chosen sports and activities. Online registration forms will be made available, and a dedicated team will be assigned to manage registrations and respond to any queries.
- **Accommodations:** For participants (Students) traveling from other cities, we will arrange comfortable accommodations. Only for Students.

- **Transportation:** Adequate transportation arrangements will be made to ensure that participants and attendees can easily reach the event venue. Shuttle services will be provided for those staying at the accommodations, and parking facilities will be available for those who prefer to drive.
- **Event Scheduling:** A detailed event schedule will be created, outlining the timings for each sports event and activity. The schedule will be communicated to all participants in advance, ensuring that everyone is aware of the timings and can plan accordingly.

**Prizes:** Winners will get trophies and prize money.

**Last Date for Registration:** 14th October 2024
